**ARTICLE II

SECTION 1

The Employer recognizes the Union as the sole and exclusive bargaining agent for the purpose of collective bargaining in respect to wages, hours, and terms and conditions of employment for its Employees within the bargaining unit certified by the Pennsylvania Labor Relations Board at Case No. PERA-R-04-168-W, and the Nisi Order of Certification dated June 2, 2004, as follows:

A “full-time Employee” is defined as any Employee who is regularly scheduled to work more than thirty-five (35) hours per week. Any regular Employee scheduled to work thirty-five (35) hours per week or less is defined as a “regular-part-time Employee.” Temporary Employees shall not work for more than one hundred twenty (120) work days in a calendar year and are not covered by this Agreement.

No full-time Employee and no regular part-time Employee shall be laid off while a temporary Employee is working. However, the Employer may reduce a full-time Employee to part-time status.

**ARTICLE III
MAINTENANCE OF MEMBERSHIP**

SECTION 1

Each Employee who, on the effective date of this Agreement, is a member of the Union and each Employee who becomes a member after that date shall maintain membership in the Union, provided that such Employee may resign from the Union during the fifteen (15) days prior to the expiration of this Agreement.

**ARTICLE IV
DEDUCTION OF DUES AND P.A.L.
ACCOUNT CONTRIBUTIONS**

SECTION 1 – Dues, Etc.

The Employer agrees to deduct the Union membership initiation fee, assessment and once each month, dues from the pay of those Employees who individually request in writing that such deductions be made. The amounts to be deducted shall be certified to the Employer by the treasurer of the Union, and the aggregate deductions of all Employees shall be remitted, together with an itemized statement, to the Union at a place to be designated by the first pay of the current month, after such deductions are made. This authorization shall be irrevocable during the term of this Agreement.

SECTION 2 – Voluntary Plans

The Employer agrees to make payroll deductions from the pay of those Employees who wish to participate in such voluntary plans as are approved by the Union. The Employer shall remit to the address designated by the Union the aggregated deductions of all Employees together with an itemized statement showing the name of each Employee from whose pay deductions have been made and the amount deducted during the period covered by the remittance. Such remittance shall be made on a monthly basis or on such other periodic basis as may be agreed upon. The Employer and the Union shall agree on such forms, rules, and regulations as may become necessary for the operation of such payroll deduction plans.

SECTION 3 – Fair Share

The Employer agrees to give the Union immediate notice of any such legal action brought against it, and agrees to cooperate fully with the Union in the defense of the case. If the Employer does not fully cooperate with the Union, any obligation of the Union to provide a defense under this Article shall cease.

ARTICLE V HOURS OF WORK

SECTION 1 - Regular Hours

The regular hours of work each day shall be consecutive, unless interrupted by a lunch period. A duty-free unpaid lunch period of one-half (1/2) hour shall be provided to full-time Employees.

SECTION 2 - Work Day

Eight (8) consecutive hours of work within the 24-hour period shall constitute the regular workday, unless interrupted by a lunch period. Employees are required to report to work at their primary work location unless directed otherwise by their Supervisor and be in proper attire prior to the commencement of the compensable workday. Employees shall be provided with locker room and shower facilities for their use. Clean-up/shower time shall be limited to fifteen (15) minutes of compensable work time. Full-time Employees shall be scheduled to work a minimum of forty (40) hours during the workweek, inclusive of any Employer paid time off. The preceding sentence shall not, however, be construed as a guarantee of work for such Employees. No regular part-time Employees and no temporary Employees shall be employed while a full-time Employee is on layoff status; however, a full-time Employee may be reduced to part-time status.

SECTION 3 - Work Shift

Eight (8) consecutive hours of work shall constitute a work shift, unless interrupted by a lunch period. All Employees shall be scheduled to work on a regular work shift, and each work shift shall have a regular starting and quitting time, subject to the Employer's right to change such times and to the notice requirements to affected Employees set forth below.

SECTION 4 - Work Schedule and Workweek

A. Work schedules showing the Employees' regular shift, workdays, and hours will be posted on department bulletin boards. The parties agree that the Employer may utilize a revised schedule, provided the Employer adheres to the schedule change notification requirements in Article V, Section 5 and all other provisions of this contract as applicable. The work schedule in effect at the signing of this contract is as follows:

1. Four (4) operations Employees will be assigned to work a normal "daylight" schedule of Monday through Friday from 7:00 a.m. to 3:30 p.m. One (1) operations Employee in the General Laborer Employee classification will be assigned to work a delayed "daylight" schedule of Monday through Friday from 9:00 a.m. to 5:30 p.m. Although assigned to the delayed schedule, this Employee will work on the 7:00 a.m. to 3:30 p.m. schedule unless instructed otherwise as identified in Article V, Section A. 2. During each workweek, four (4) operations Employees will work at their scheduled times on Monday through Friday, listed above. One (1) operations Employee out of the five (5) Employees, on a rotating basis, will work four (4) hours each on Saturday and Sunday and from Monday through Thursday at their normal scheduled time. The weekend / holiday start time may be other than 7:00 a.m. upon written agreement between the Employee, Supervisor, and Manager(s). The Employee working the Saturday through Thursday schedule shall have the following Friday off work. In the event the number of operations Employees is less than five (5), the number of Employees working Monday through Friday during normal "daylight" hours may be reduced.
2. One (1) operations Employee in the General Laborer Employee classification will be assigned to work a delayed "daylight" schedule of Monday through Friday from 9:00 a.m. to 5:30 p.m. This Employee will report for the normal 7:00 a.m. to 3:30 p.m. schedule unless notified otherwise as follows: the Manager(s) or Supervisor will notify the delayed shift Employee prior to leaving work at 3:30 p.m. when necessary to report the next day at 9:00 a.m. instead of 7:00 a.m. The delayed shift Employee will be called on Sunday or a holiday by 9:00 p.m. for a delayed start time the next day of 9:00 a.m. In the event the Employee is not notified to start at 9:00 a.m. the following day, the Employee shall report to work for the 7:00 a.m. start time. This Employee will also participate in the rotation schedule for pager and weekend duties. The Employer may temporarily assign another Employee to this position in the event of absence, vacancy, or other paid time off. Phone calls made / received in reference to this section are not subject to compensation.

3. Specific to snow call operations, between 3:30 p.m. (5:30 if delayed shift is in effect) and midnight, Monday through Thursday, the Employee scheduled to carry the pager the following week will be called out if necessary. This Employee shall be referred to as the evening snow call Employee. The Employee called out for this duty will not receive the two (2) hour minimum overtime callout, when performing snow call operations; they will be paid for the hours worked. Should this Employee work forty (40) or more hours during the Monday through Thursday period, in which eight (8) or more hours during this period is a result of snow call operations outside the Employees normal work shift, the Employer may require the Employee to take Friday off work, except in cases where additional operational or emergency support requires the Employee to report to work on Friday. Should this Employee work thirty-six (36) to thirty-nine and three quarters (39 $\frac{3}{4}$) hours during the Monday through Thursday period, in which four (4) to seven and three quarters (7 $\frac{3}{4}$) hours during this period is a result of snow call operations outside the Employees normal work shift, the Employer may require the Employee to report to work a half-day on Friday, except in cases where additional operational or emergency support requires the Employee to report to work for a full day on Friday. The Manager(s) and / or Supervisor shall inform the Employee if the Employee is not required to report to work on Friday. In no circumstances will the Employer also require Thursday to be taken off work.
4. The person carrying the pager will be responsible for snow callouts beginning Friday at 3:30 p.m. (5:30 if delayed shift is in effect) through Monday at 7:00 a.m. (or beginning Friday at 3:30 p.m. through Monday at 7:00 a.m. in instances when the delayed daylight operations Employee is scheduled to be off work on Friday). Snow callout on Friday night will be paid at the overtime rate unless the Employee does not have forty (40) hours accumulated for the week. This Employee will also be responsible for snow callouts from midnight to 7:00 a.m. Monday through Thursday. Should weather circumstances indicate that early morning services may be required; the Borough Manager, or her/his designated representative may call this Employee the evening before by 9:00 p.m. and request that they report to work at 5:00 a.m. Phone calls made prior to 9:00 p.m. in reference to an early start time are not subject to compensation. Management will make every effort to work with Employees for schedule changes due to any usage of PTO time and training. The Employee should attempt to find coverage in case of a planned absence. In case of illness, any other operations Employee may be asked if they are available to cover the snow call out. Management may assign these duties if no one voluntarily accepts them.

- B. The workweek shall start at 12:01 a.m. Saturday and shall end the following Friday at midnight.

SECTION 5 - Schedule Changes

- A. In the event the Employer deems it necessary to change an Employee's work schedule for legitimate operational needs, the Employer shall first post the proposed schedule change seven (7) days in advance of the schedule change date. In the event the 7-day notice is not posted, the Employee affected shall be paid time and one-half (1-1/2) his/her regular wage for all hours worked as a result of the schedule change.
- B. Employees shall attempt to avoid taking PTO time during their scheduled Pager rotation. Management does understand an Employee may wish or be required to change his Pager schedule or normal work schedule for various reasons. The Employee is responsible for arranging coverage for the schedule change with another Employee. In these cases, the Employee must provide the Supervisor, Manager(s), and Waste Water Treatment Facility Chief Operator written notice in accordance with Article V, Section 6. Management will make every effort to work with Employees for schedule changes due to unplanned time off when less than seven (7) days notice is able to be provided by the Employee, providing the change does not result in a change of overtime status. In case of illness, any other operations Employee may be asked if they are available to cover the shift. Management may assign these duties if no Employee voluntarily accepts them.
- C. The advanced notification and time and one-half (1-1/2) requirements contained in the above subsection will not apply in a situation which requires more than the normal complement of Employees on duty at any one time (an emergency) or if the above schedule change was caused by an Employee requesting a change in his/her schedule without giving a minimum of seven (7) days prior notice to the Employer.

SECTION 6 - Pagers

- A. The Employee carrying the pager will be responsible for snow callouts beginning Friday at 3:30 p.m. (5:30 if delayed shift is in effect) through Monday at 7:00 a.m. (or beginning Friday at 3:30 p.m. through Monday at 7:00 a.m. in instances when the delayed daylight operations Employee is scheduled to be off work on Friday). Snow callout on Friday night will be paid at the overtime rate unless the Employee does not have forty (40) hours accumulated for the week. This Employee will also be responsible for snow callouts from midnight to 7:00 a.m. Monday through Thursday.
- B. A proposed master schedule for pager / snow call-out duty will be published prior to December 24th for the following year. Changes to this master schedule shall be made in accordance to Article V, Section 5.A. One Employee, on a rotating schedule, shall be

required to carry a pager/cellular telephone at all times during a week-long, seven consecutive day period (Monday at 7:00 a.m. through the following Monday at 7:00 a.m.) to respond to emergencies. It is the Employee's full responsibility to coordinate the transfer of the Pager from Employee to Employee during the normal work shift. The Monday through Monday schedule may be altered to provide coverage for holidays. Call outs to respond to such calls by this Employee will be paid in accordance with Article XI. During the week assigned, each Employee shall also be required to perform routine tasks at the plant(s), pump station(s) and other work sites, and be paid a minimum of two (2) hours a day on each Saturday and Sunday. If technology is obtained to negate the requirement for such tasks, the schedule would be modified accordingly to adjust the Saturday / Sunday work requirement.

- C. Any Employee carrying the pager who responds to a page outside of his/her scheduled shift shall be paid for a minimum of ½ hour in accordance with Article XII. When the actual time spent exceeds ½ hour, the actual time spent or two hours whichever is greater will be paid in accordance with Article XII for each page responded to outside of his/her normal work shift.
- D. In the event that the Employee uses Unrestricted PTO, the Employee is required to contact his Supervisor to advise him that the Employee will not be at work that day. If the Employee has the Pager, the Employee must also advise the Supervisor that the Employee currently has the Pager. The Supervisor will make arrangements to receive the Pager from the Employee. Management will be responsible to carry or reassign the Pager until the Employee returns to work to complete the remainder of the Pager schedule.
- E. Management would like to provide the Employee the freedom to arrange the Pager coverage independently. However, Management must be informed of these changes so that the appropriate individual is contacted during emergency situations.

6 months to 1 year employment	2 weeks wages
Over 1 year to 3 years employment	4 weeks wages
Over 3 years to 5 years employment	8 weeks wages

Wages shall be determined by taking the Employee's hourly rate or salary as established in Article X, Section 1 times the regularly scheduled weekly hours (not to exceed 40 hours per week) of the Employee. The wage continuance shall be paid in accordance with the pay period as established in Article X, Section 2.A.
